2				
3	**Deliverables**	**Incomplete**	**On time/on track for success, still incomplete**	**Complete**
4	**Capacity - Please provide explanations for anything not "complete" in the Notes section**			
5	*All individual and group training data entered in EIDITH? Reference: https://training.eidith.org/home.aspx?cv=733#/login*			Completed
6	*Country Rapid Tool Survey for capacity evaluation submitted?*			Completed
7	*Professional development toolkit modules rolled out to PREDICT team members? Link: https://brpsmith.wixsite.com/predictcareertoolkit*			Completed
8	*Capacity related success story completed for final report country profile?*			Completed
9	**Viral Detection - Please provide explanations for anything not "complete" in the Notes section**			
10	*All prioritized samples tested?*			
11	*All viral testing and sequence data in EIDITH?*			
12	*All samples requiring any re-testing and/or re-sequencing completed and results entered into EIDITH?*			
13	*All prioritized bat and rodent samples barcoded and confirmed species data entered into EIDITH?*		On track	
14	*All viral findings shared with government partners?*			
15	*All viral findings cleared for public release?*			
16	*All test results approved for release cleared in EIDITH for posting to HealthMap?*			
17	**Surveillance - Please provide explanations for anything not "complete" in the Notes section**			
18	*All data in EIDITH?*			Completed
19	*Data cleaning checklist items completed? Refer to: https://docs.google.com/document/d/1E3KfY2SV8q1M3LRFdOaqqVNZBIs8mZ8AmVO9vycQ_18/edit?usp=sharing*			
20	*All cleaned surveillance data visualizing accurately on HealthMap?*			
21	**Behavioral Risk - Please provide explanations for anything not "complete" in the Notes section**			
22	*All data in EIDITH (qualitative and quantitative as appropriate)?*			Completed
23	*All human subjects data appropriately cleaned and deidentified in EIDITH in accordance with IRB protocols?*			Completed
24	*Behavioral risk data analyzed and interpretations shared for incorporation into reports and outreach?*			Completed
25	*Behavioral findings disseminated to target communities? When?*			Completed
26	*Intervention targets identified/palatable recommendations developed?*			Completed
27	**Modeling and Analytics - Please provide explanations for anything not "complete" in the Notes section**
